You are looking for individual scale cases of highest quality and exclusive design? So you have chosen bwh as your right partner. Your advantage: complete development – design, tool making, first sample and finally serial production – all by bwh in house. This gives you the opportunity to get your individual case solution based on best conditions. Already 100 pcs are the cost-effective quantity by which you can implement your customized case. By embossing your logo and other lettering your case would be an eye catcher and will support your products promotionally.

Your demands will be met best by different materials like HDPE, polycarbonate or ABS. Sophisticated details e.g. stable and smooth running wheels, comfortable telescopic handles or ergonomically formed handles make your case very special. In addition to that your products will be protected optimally by interiors especially made for you for daily use. Just contact us – we will be happy to be at your service!
