### **Full aluminium case ALUpur**

The full aluminium case ALUpur combines the highest quality construction with modern design. The case body is made of hardened aluminium and has a decorative look. The case corners are made of pressed aluminium.

The case surfaces are anodised in natural colour. The ergonomic handle, high-quality zinc diecasted locks and robust metal hinges complete the overall well shaped picture. Various models of different sizes are in stock and ready for delivery. You can decide on the different interiors from the corresponding list.

## Special Cases ALUpur

The full aluminium case ALUpur captivates with its elegant shape and minimal weight. You can specify the design and interior. You can choose from aluminium or stainless steel with various decorative designs. You can also opt out of silkscreen or embossed design on the outside surfaces to personalise your case. The ALUpur is a utility model registered and patented.
