### **Aluminium frame case Exclusive AEX**

The aluminium frame case Exclusive was awarded with „good industrial design“ by the International Forum Design organisation for its high quality, multiplicity and elegance. The anodised profiles and high-quality laminated outer surface go for harmonic and appealing design. The aluminium frame case Exclusive is very stable despite being so light, offering easy carrying through its ergonomically formed handle. Various models in different sizes are on stock and ready for delivery. You can decide on the different interiors from the corresponding list.

### Special Cases Exclusive AEX

The aluminium frame case Exclusive by bwh was awarded with "good industrial design" by the iF (International Forum Design), because it is elegant and can serve several functions. This popular model is renowned for its stability and prestige.
