

The Scherzo Stand

The Scherzo Stand is a high quality, super-lightweight folding music stand. Being made of aluminium it weighs little more than half as much as other folding music stands of this type.

This entry level stand still boasts the quality of design and manufacturing that RATstands demands.

High quality joints make it a pleasure to fold and unfold and it has a precise and positive locking button for adjusting the angle of the tray.

This stand comes complete with a nylon carrying bag.
